BUY LOCAL DURING COVID-19

Why now?

Louisiana farmers have excess summer produce due to lost markets

How to find local produce:

1

Create a buyer account on Louisiana MarketMaker at la.foodmarketmaker.com to connect with local sellers

2

Search the new directory & map of farms and distributors at ldaf.state.la.us/covid-19/ under the "LA Farm Food Map and Directory" tab

Need assistance finding and coordinating with interested farms?
